

2012 semillon sauvignon blanc
margaret river ~ western australia

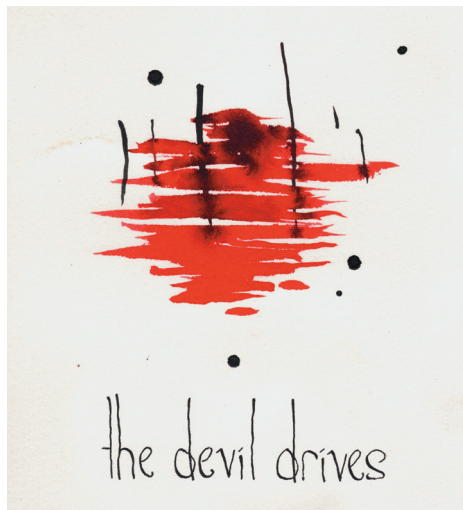

PRODUCT:	The Devil Drives		
VINTAGE:	2012		
GRAPES:	Semillon Sauvignon Blanc	Percentage:	55% Semillon 45% Sauvignon Blanc
ORIGIN OF GRAPES:	Margaret River Western Australia (Sub region: Wilyabrup)	Percentage:	100%
VINIFICATION:	100% fermented in stainless steel with selected yeasts and bottled early to promote the 'fruit driven' nature of this wine.		
ANALYSIS:	Alcohol:	12.2 %	
	pH:	3.1	
	Acid:	6.2 grams/L	
	Sugar:	2.6 grams/L	
COLOUR:	Pale straw, with a green tinged hue.		
NOSE:	Initial lifted herbaceous characters of pea pod, grass, lemon thyme and lime, with underlying passionfruit, blackcurrant and lychee characters. There is also a light nutty character from a small percentage of barrel fermentation.		
PALATE:	Full and long with soft textured palate and balanced acidity. Smoky pea pod along with fresh grass and thyme are balanced by passionfruit and citrus characters with a long herbaceous finish.		
WINEMAKERS COMMENTS:	This wine aims to combine the aromatics of Sauvignon Blanc with the mouth feel and intensity of cool climate Semillon. Short to medium term cellaring will soften the wine, tempering its youthful exuberance and allow for the progression to the secondary characters of aniseed and honey.		
FOOD MATCH:	Many options here, including grilled scallops, sushi and sashimi, mediterranean fish soup to a nicoise salade.		
DELIVERY:	Deliveries to capital cities is 48 to 72 hours. Outlying areas a bit longer. For more expediency call me and I'll sort it.		

The Devil Drives is distributed by Rogue Wines Pty Limited.

2011 cabernet merlot
margaret river ~ western australia

PRODUCT:	The Devil Drives	
VINTAGE:	2011	
GRAPES:	Cabernet Merlot	Percentage: 60% Cabernet Sauvignon 40% Merlot 5% Petit Verdot
ORIGIN OF GRAPES:	Margaret River Western Australia (Sub region: Wilyabrup)	Percentage: 100%
VINIFICATION:	Cabernet Sauvignon and Merlot parcels were fermented individually before maturing in French oak for 18 months. Post blending, the wine was naturally balanced and was left unfinned though it received a light filtration before being bottled.	
ANALYSIS:	Alcohol: 14.5 % pH: 3.7 Acid: 5.9 grams/L Sugar: 0.6 grams/L	
COLOUR:	Bright and Medium to deep red.	
NOSE:	There's a brooding, briary quality to its aromatics, mixed with fresh blood plums and fragrant red berry fruit.	
PALATE:	Complex and savoury with fruit flavours and undertones of black olive.	
WINEMAKERS COMMENTS:	Both Cabernet Sauvignon and Merlot excel in the cool maritime climate and gravelly soils of the Margaret River wine region. Cabernet Sauvignon provides the tannin and structure whilst Merlot adds texture and mid palate 'sweetness' to the wines profile. Short to medium term cellaring will allow further integration and a more complex offering.	
FOOD MATCH:	Many options here, including Spanish Roasted vegetables, medium rare porterhouse, and most cheeses.	
DELIVERY:	Deliveries to capital cities is 48 to 72 hours. Outlying areas a bit longer. For more expediency call me and I'll sort it.
