WINEMAKING NOTES: 2009 is the first vintage of this fine expression of Viognier. A warmer than average year, but given the altitude of the vineyard site and well timed irrigation we obtained a fantastically uniform ripening with no disease problems. Grapes were hand picked in the early hours of the 14th September from the single estate of 'Finca del Val' situated at 950 metres. Grapes were stored at 0 degrees for 48 hours in a cool room before gentle crushing and maceration pelliculaire for a further 12 hours. The must was then cold settled and fermentation took place in mainly neutral oak barrels with 1/3rd new oak barrels used. Wine was then aged 'sur lie' with batonnage for a further 3 months before minimal fining, light earth filtration and bottling.

CELLAR POTENTIAL: Will improve in bottle for up to 2 years

Suitable for Vegetarians Suitable for Vegans

TASTING NOTE: Pronounced varietal aromas of peach and honeysuckle, well integrated oak character with complex notes of ginger spice and jasmine. Full bodied, yet elegant, with crisp acidity, fresh stone fruits and a long mineral finish.

FOOD RECOMMENDATIONS: The highly aromatic and fruit forward nature of the wine allows pairing with spicy foods or Asian cuisine. The subtle floral notes make it a perfect match with sushi and sashimi.

EL PUÑO VIOGNIER 2009

Catavino Review:

Lovely nose – very much an aroma of lime cordial – it smells so fresh and beautiful. Pretty, with a really nice texture on the palate, this is a great example of the variety that is often so big and peachy and sickly and flabby when it's made in an 'international' style. Hats off to the flying Scotsman

VINTAGE:	2007
COUNTRY:	Spain
REGION:	Calatayud
COLOUR & STYLE (Dry, Sweet, Sparkling, Still, Etc.):	Red Wine
GRAPE(S) VARIETY(IES):	100% Old Vine Garnacha
PRODUCER:	El Escocés Volante
CLOSURE:	Cork
BOTTLE SIZE:	0.75L
CASE SIZE:	12 Bottles
ANALYSIS:	ALCOHOL: 15.5%
	PH: 3.33
	ACID: 5.9 grams /L
	SUGAR: 1.8 grams/L

WINEMAKING NOTES: All fruit was rigorously selected and as such each vine yielded less than 1kg per vine. Once picked, fruit was held for 48hrs in a cool room to chill fruit to below 4 degrees celsius. Bunches were passed over a selection belt and then crushed to tank and held 'cold soak' for up to 10 days. Temperature was then allowed to rise allowing a wild fermentation to commence. The individual tanks were then inoculated with Rhone isolated yeasts. Tanks were then plunged and gently pumped over to obtain gentle extraction. A handful of tanks were also allowed an extended maceration after fermentation to add weight and complexity. A small cuvee of the best tanks was blended and put to barrel to conduct malolactic fermentation. 100% new French oak was chosen. Similarly a selection of larger size barrel (350 to 500litre) was chosen to avoid oxidation and to respect the typicity of the Garnacha grape. Wine bottled December 2009.

CELLAR POTENTIAL: Will improve in bottle for up to 10 years

Suitable for Vegetarians Suitable for Vegans

TASTING NOTE: Pronounced aromas of intense black fruit, wood toast, cedar and cappuccino followed by floral/violet notes, wild raspberries and garrigue/ mountain herb aromas. Full bodied yet elegant with crisp acidity, tight tannins, creamy vanilla texture and a long mineral finish.

FOOD RECOMMENDATIONS: A great wine to drink with classic game dishes such as venison, wild boar. It will also accompany punchy dishes such as ragout.
