

PRODUCT:	Kiki Sparkling	
GRAPES:	Sauvignon Blanc	Percentage: 95%
	Chardonnay	Percentage: 5%
ORIGIN OF GRAPES:	Marlborough, New Zealand	Percentage: 100%
VINIFICATION:	The antnest vineyard produces lemon, lime and tropical characters, and when combined with leaf plucking to allow the sunshine into the fruit, I am able to avoid the overtly green or vegetal characters often associated with marlborough SB. The fruit for this wine was specially selected to provide tropical and ripe characters and yet still have low alcohol as is typical of good sparkling wines. The flavours present are lemon, lime and stone fruit such as white peach, and some light spice.	
ANALYSIS:	Alcohol: 12.5%	
	pH: 3.2	
	Acid: 7.4 grams /L	
	Sugar: 11 grams/L	
COLOUR:	Straw with a fine bead.	
NOSE:	Lemon, white peach, apricot, and hint of grass.	
PALATE:	Fine foamy bubbles, and sweet fruit on the front palate, followed by a long clean dry finish. The trick with this wine was to have initial sweetness, followed by dryness on the palate which makes the wine refreshing and very easy to drink.	
WINEMAKERS COMMENTS:	Vinified in numerous small batches, and then aged on lees for 6 months, to soften the palate and build weight and viscosity to counter the prickly effect of the dissolved CO2 bubbles. The final blend incorporated some wine that was a little sweeter, to ensure balance, and 5% of Mendoza chardonnay which had been fermented and aged in new french oak hogsheads.	
GENERAL INFORMATION:	Taking a simple concept of sparkling sauvignon blanc, and using attention to detail and a not so simple approach in the winery, has provided a wine that sets the bench mark for Sparkling Sauvignon blanc.	
DELIVERY:	Deliveries to capital cities is 48 to 72 hours. Outlying areas a bit longer. For more expediency call me and I'll sort it.	

Kiki is distributed by Rogue Wines Pty Limited.
