NOTES:	Sylvius is a London Dry Gin which means all the spices are distilled together once. Sylvius Gin is made with an excruciating eye for detail. Exclusively natural ingredients are used and with no added sugar.	
PALATE:	Sylvius Gin is a delicious balance of classic gin botanicals with signature flavours of cinnamon, liquorice and star anise. This gin slowly adapts its flavour depending on the dilution. Straight up it's clean and complex. Mixed 1 to 1 with tonic the anise will dominate and mixed 1 to 4 the accent is on orange. Garnish with a slice of sweet Jazz apple.	
DELIVERY:	Deliveries to capital cities is 48 to 72 hours. Outlying areas a bit longer. For more expediency call me and I'll sort it.
